Please note that if you have fish or shellfish allergies such as shrimp or scallops, flounder or other certain fish, our restaurant may use the same equipment (including fryer and frying oil) for preparing and serving these items as is used for non-allergen containing items such as French Fries. Therefore, fish and or shellfish allergens may remain in the oil or any surfaces and create cross contact with other menu items. All items on this menu may be cooked to order. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness, especially if you are young, elderly or have certain medical conditions.

Some menu items may be changed due to lack of availability, and new items may be added to the buffet menu to ensure a bountiful culinary delights to select from. Ask our Group Sales Manager about our Package that includes overnight accommodation. "Come in, Your Table is Ready!"
